

<p>User Persona 1:</p> <p>Name: John</p> <p>Age: 29</p> <p>Location: Seattle, WA</p> <p>Personality: Slightly more extroverted than introverted</p> <p>Bio: Senior Engineer at Amazon, he enjoys spending time with his wife outside of work and exploring Seattle. He also loves tinkering and building things and spends a great deal of time outside of work making robotics</p> <p>Motivations: Always looking for solutions that give him more time to do the things he likes to do</p> <p>Goals: Spend less time on what he considers mundane and focus on his hobbies and work instead</p>	<p>User Persona 2:</p> <p>Name: Tyler</p> <p>Age: 24</p> <p>Location: Orem, UT</p> <p>Personality: Introverted, Shy</p> <p>Bio: Tyler is a QA Engineer for a small start up and works remotely from his home. He enjoys doing his work queue in the comfort of his room and it takes a great deal of motivation to mentally prepare to leave the house.</p> <p>Motivations: Looks for solutions that allow him to still enjoy his favorite things, without having to go somewhere to get them.</p> <p>Goals: Since the preparation to leave the house is so great, he feels like he doesn't want to waste trips on what he considers to be silly things</p>	<p>User Persona 3:</p> <p>Name: Olivia</p> <p>Age: 30</p> <p>Location: Anaheim, CA</p> <p>Personality: Extroverted</p> <p>Bio: As an avid social media enthusiast, as well as an interior designer, she enjoys sharing what she considers to be pretty with all her friends. She is constantly on the go between work projects, design shows, and her large social group</p> <p>Motivations: Loves things that fit in with her schedule, rather than having to take time out of her day. Loves things that feel new, fresh, and match her on the go lifestyle</p> <p>Goals: Dedicate all her time in sharing her journey, as well as her designs.</p>
